## **URBANA CORPORATION – RENEWAL OF NORMAL COURSE ISSUER BID**

Toronto, Ontario – September 1, 2021 – Urbana Corporation (“Urbana”) (TSX & CSE: URB & URB.A) announced today that the Toronto Stock Exchange (“TSX”) has accepted its notice of intention to conduct a normal course issuer bid to enable it to purchase up to 3,373,358 of its non-voting Class A shares (the “Class A Shares”), representing 10% of the public float, pursuant to TSX rules (the “Notice”).

Purchases under the bid may commence on September 7, 2021, and will terminate on the earlier of September 6, 2022, the date Urbana completes its purchases pursuant to the notice of intention to make a normal course issuer bid filed with the TSX, and the date of notice by Urbana of termination of the bid. Purchases will be made on the open market by Urbana through the facilities of the TSX or the Canadian Securities Exchange (“CSE”) in accordance with the rules and policies of the TSX. Caldwell Securities Ltd. will make all purchases pursuant to the bid on behalf of Urbana. The price that Urbana will pay for any such shares will be the market price of such shares on the TSX or the CSE at the time of acquisition. Class A Shares purchased under the bid will be cancelled. Urbana will not purchase on any given day, in the aggregate, more than 4,179 Class A Shares (the “Daily Limit”), being 25% of the average daily volume for the most recently completed six months prior to the submission of the Notice, which is 16,716 shares (the “ADTV”), calculated in accordance with the TSX rules. Notwithstanding the above-mentioned Daily Limit, Urbana may make one block purchase per calendar week that exceeds the Daily Limit in accordance with TSX rules. A block purchase under TSX rules means a purchase that (a) has a total purchase price of at least \$200,000, (b) is at least 5,000 shares and has a total purchase price of at least \$50,000, or (c) is at least 20 board lots and at least 150% of the ADTV.

Under a previous notice of intention to conduct a normal course issuer bid, Urbana sought and received approval from the TSX to purchase up to 3,754,840 Class A Shares for the period of September 4, 2020 to September 3, 2021. As of August 31, 2021, Urbana has purchased 3,738,227 Class A Shares on the open market at an average purchase price of \$2.6008 per share under that bid. As of August 31, 2021, the issued and outstanding number of Class A shares is 34,100,000 shares and the public float of the Class A shares is 33,733,580 shares.

CORPORATION

Urbana believes that the market price of its Class A Shares at certain times may be attractive and that the purchase of Class A Shares from time to time would be an appropriate use of corporate funds in light of potential benefits to the remaining shareholders.
